S8 (EA) from JURA

## Big choice, compact design

- Professional Aroma Grinder for ideal grinding results over the entire service life
- 4.3" high-resolution colour touchscreen display with sophisticated operating concept for intuitive navigation
- Professional fine foam frother<sup>G2</sup> for either feather-light milk foam or hot milk
- One-Touch function for 15 speciality coffees – from espresso to latte macchiato

#### Maximum convenience thanks to colour touchscreen display

- Simply touch and hold a product to go straight to the settings, where you can also rename, copy and reposition a product.
- For the preparation of milk and hot water, the display shows guidance for the correct use of the nozzles.
- Demo mode allows the machine's ease of use to be demonstrated at the point of sale.

#### Function and benefits

Thanks to optimised grinder geometry:

- 12.2% more aroma compared with conventional grinders
- Consistently high grinding quality over the grinder's entire service life

#### More beautiful than ever

- The water tank in premium ridged design accentuates the clear design concept.
- The new, chrome-plated cup grille superbly showcases the perfect speciality coffees.
